DETAILED ACTION

Request for Continued Examination

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on April 22, 2002 has been entered.

Election/Restriction

2. Applicant is reminded that the claims still contain subject matter drawn to non-elected esters and water dispersible components. No claims can pass to issue until this material has been deleted.

Claim Rejections - 35 USC § 103

3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

4. Claims 1, 2, 4-8, 11, 12, 22-27, 29, 30, 44, and 46-49 remain rejected under 35 U.S.C. 103(a) as being unpatentable over Shah et al., US 4,980,155 for the reasons of record in the previous office action. *Claim 50 is also rejected over this reference* because the reference

teaches at col. 2, lines 39-41 that the disclosed compositions are applied to the face, meeting applicant's method limitation of application to skin.

Allowable Subject Matter

5. Claims 3, 28 and 45 would be allowable if amended to recite the elected ester and water dispersible component. Reasons are of record in the previous office action.

6. All claims are drawn to the same invention claimed in the application prior to the entry of the submission under 37 CFR 1.114 and could have been finally rejected on the grounds and art of record in the next Office action if they had been entered in the application prior to entry under 37 CFR 1.114. Accordingly, THIS ACTION IS MADE FINAL even though it is a first action after the filing of a request for continued examination and the submission under 37 CFR 1.114. See MPEP § 706.07(b). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however,

will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
